#### Activities

The spa is operated by renowned Sukko Spa and offers a range of traditional and exotic therapies and treatments. Also on offer is a flood lit tennis court covered with the best synthetic grass imported from Italy, a state-of-the-art-equipped fitness centre, and the endless beach is excellent for a refreshing morning run. For lazy hours in the sun there are two beaches to choose from in addition to the large infinity-edge main pool, all serviced by our friendly staff offering complimentary wellness service with cool towels, cold water, and chilled fruits. Windsurfers, Kayaks and Mountain Bikes are also available to leisurely explore the surrounding area on water and land, and the paths within the resort grounds are perfect for a lazy stroll or invigorating run while taking in the beautiful sights and sounds of the gardens.

#### Safety & Security

All villas are equipped with a fire extinguisher as well as smoke detectors connected to a central electronically monitored fire notification system with audible and visible in and out door alarms.

Resort grounds are patrolled 24/7 by uniformed security guards as well as monitored by CCTV.
